Wow. Thank you so much the Academy for this incredible recognition. I share this with a fabulous crew and cast, and I want to thank Gail and Anne and Nina and Working Title and Focus and Tom. Where are you? My director. Thank you so much for your support and belief in me. And Eddie, there you are. Thank you for being the best acting partner, I could've never done it without you, you raised my game. I wouldn't be here if it wasn't for my dream team, which is Theresa, and Harry [?] and Charles, Laura, I want to thank my friends – alla ni där hemma – and my mum and dad. Thank you for giving me the belief that anything can happen, even though I would've never believed this! Thank you!
